Chair of Trustees: Mr Douglas Croucher

Monday 17th March 2020.

Dear Parents,

As many of you are aware Mr. Simon Adorian, our well respected headteacher of Christchurch Junior School has announced his intention to retire from August 2020. In the short time that I have had opportunity to work with Mr. Adorian he has always been a champion for the children of Christchurch Junior School and the quality of provision that they have worked hard to establish and will be missed. During the last two years he has been an essential partner in ensuring that Christchurch Junior School had a seamless transition into joining Twynham Learning.

Over the last couple of months we have worked with Mr. Adorian and the Local Advisory Board to advertise, recruit and now formally appoint his successor following a rigorous selection procedure on 11th February. We are delighted to announce that all employment checks have been completed and Mr. Sam Fuller will be joining us in September to assume the role of Headteacher of Christchurch Junior School.

Mr. Fuller is currently the Deputy Headteacher at Ringwood Junior School and had a very strong response to our selection procedure and demonstrated that he could meet the high expectations that we have as a school community for our children. He is an experienced teacher and leader that has a background across a range of settings in the Bournemouth, Christchurch and Hampshire area and is widely respected in his existing school particularly having been successful at ensuring that academic outcomes reflected the potential of all of his students in Year 6.

We will be undertaking a thorough transition and induction period with Mr. Fuller and he will be working closely with Mr. Adorian to ensure a successful handover period. I am confident as Chief Executive that we are fortunate to have recruited an exceptional candidate to lead CJS forward in the future to open the next successful chapter for our community.

I am sure in the near future you will have opportunity to hear from Mr. Fuller and meet him as the Summer Term commences and he prepares to start with us in September. I would like to thank all those pupils, staff and governors who supported the process and thank you as parents for your patience through this recruitment period.

I was pleased to relay to Mr. Fuller that he can count on the support of the parent community of CJS alongside those employed by the Trust to ensure that CJS continues to progress onwards and upwards!

Kind Regards

Gareth Morris
