## Year 4 Learning Hub

Dear Parents/Carers,

In case of school closure or the need for families to self-isolate, we have prepared the following learning for the children to complete.

Yours sincerely

Mrs Arnold and the Year 4 Team

### English

Write a story and read it aloud (with some acting it out if you can). You can choose your own story idea yourself or work from the story idea below:

*Jaz's auntie Rhee is a witch. She's not wicked – just wicked fun. She takes Jaz for flights on her broomstick and she's teaching Jaz how to do spells. But she won't let Jaz try to cast a spell unless she's with her. Then one day, Jaz decided to make a spell of her own.*

Keep reading – make sure you are still reading regularly at home and fill in your Reading Diary as you go along. You will need to hand it in when we are back at school.

Read the following News items and discuss them with a family member. There are links if you would like to share your opinion on the things you have read.

## SPaG

1. Practise your spellings and grammar by playing games online:

There are lots of activities to choose from on  
<https://www.bbc.co.uk/bitesize/topics/zhrrd2p>

Top Marks also has a game to practise nouns and adjectives. Press the link and become 'Trapped'. <https://www.topmarks.co.uk/Flash.aspx?e=spelling-grammar01>

## Maths

[Times Tables RockStar](#). We will keep the battles going and recording who wins them! Make sure you are battling at least 4 times a week to help your team.

[My Maths](#) – tasks will be set weekly for you to complete.

## Science

Electricity Revision – How would a world without electricity be different? How many switches can you find in your home? True or false – Insulators are just as important as conductors.

## DT

Try your hand at baking... find a good recipe so you can bake (and decorate?) a delicious cake with an adult. Take a photo if you can and share it when we are back at school.

## Keeping Active At Home

Over the weeks ahead it will be more important than ever for children to keep fit and active. We would like to provide you with some challenges and resources for you to try at home.

- All young people should aim to be physically active for 60 minutes each day.
- Print off these sheets and keep a log of how active you have been.
- We would encourage you to do as many of these activities in your gardens, benefiting from the fresh air, as possible.

Please ensure you have enough room to do these activities and perform them in a safe manner.
