To Year 2,

I hope you are excited to join CJS. you will love it.

All of the topics are really fascinating. I've really enjoyed learning about Egypt. I really liked cranborne.

It was the best schoolst experience. There's lots of supstriast
to look forward to.

In p.k we do lots of sports and running. My favourite time
was when we played ^{rock} rock, paper, scissors.

In the school, the teachers will tell you where every thing
is so you don't get lost. every one is kind. There are lots
of play grounds to play in. when it is lunch you can
ask lunch time supervisors questions and they will help
you will have your friends at all times
the uniforms are similar to the infants school
You will have a great time in c.t.s.
