Headteacher: Mr Simon Aboian MA

Dear Year two pupils...

When you start here it will be a little different because when we finish a level in spelling we get a ' badge but were sure you'll love it. 😊

When you start swimming lessons at two Riversmeet, the first lesson is quite boring but then it gets summer and sunnier.

Also, - it's not just that but we ^{get} a two story school and the library is on the second floor so you can go up onto

the second floor when you wish to go to the library. But our uniform is basically ^{the same} colour only a bit darker. The lunches can be hot or your parents \ Mum or Dad can give you a pack lunch. Soon you will get a Recorder to play at school and practice at home. As well we get to do Gymnastics \ dance at school too. But the ~~best~~ best things for me is the teachers and having fun with my friends.

We can't wait to welcome you all to our school. 😊
