

11 June 2020

Dear Parent / Carer

## Year 6 Weekly Arrangements

I am writing to confirm that for week commencing 15 June, the Year 6 arrangements for coming to school will remain the same as they have been for this week. We will write again next week confirming what the arrangements will be for the week commencing 22 June, as these may well change.

- I would like to congratulate all parents, students and staff with regards to the dropping off/collecting of children at the start and end of the day. All have followed the hygiene and social distancing measures that have been put in place.
- **Plans for being in school for week commencing 15 June will be exactly the same as this week.** On the days that your child is not in school, we still expect them to make use of the Y6 Learning Hub. This has been organised into three sections:
  - The main hub contains all resources and plans for children who are remote learning for the entire week at home.
  - At the top of the Y6 Learning Hub are two links to the tailored learning for the children in bubbles attending school on different days of the week. Children who attend school on Monday-Wednesday (6JW and 6DB) have learning designed to develop and extend from the work taught at school.
  - Children attending school on Wednesday-Friday (6AB and 6AM) will find learning that prepares them for the lessons they will receive when they come into school.
- **Please note that this is not a permanent arrangement** and arrangements may change weekly. We will always give as much notice of any change as possible. Following the recent announcement by the Secretary of State for Education, we are now investigating the possibility of arranging for children from other year groups to spend some time in school before the end of the Summer Term.

As soon as I have any further updates, I will communicate with you.

Yours sincerely

Mr S Adorian  
Headteacher
