Dear Parents / Carers

End of Year Awards - Socially Distanced Y6 Leavers Outdoor Cinema Event - Wednesday 15 July 2020

We are excited to announce that we will be hosting a socially distanced outdoor cinema screening of Lego Movie 2. This is courtesy of Ian Walker of Fonix LED Limited. Fonix provide state of the art giant LED screens for major sporting and outdoor events such as the Bournemouth Air Show.

We have also decided to use this opportunity to present our annual end of year awards to our leavers. Normally parents are invited to this event and it is with regret that this year we will have to restrict this to the children. We hope that we can make this event a celebration of the children's hard work and commitment to their learning over this academic year as well as a memorable send off at the end of their CJS journey.

Social Distancing

The event will take place on our school field adhering to all government guidance on social distancing. The children will arrive on site at their designated times and locations (below) and remain in their bubble group for the entire event. Bubbles will be distanced from one another in line with government guidance and children will be sat 2 metres apart within their bubble. Hand sanitizing and arrangements for visiting the toilet will be shared with children before the movie begins.

Weather

As we will be outside for the entire duration of the event, we ask that children are prepared for this. If the weather is hot, sun hats, sun glasses and sun cream will be required. In the event of cold or wet weather, we ask that children are dressed appropriately for this. The event will only be cancelled in the event of heavy, constant rain. You will be contacted the night before the event if it is to be cancelled.

Refreshments

The children will be provided with an individual small treat and drink on their chairs for the event but we recommend the children also bring a light lunch and water bottle.

Kind regards

Mr Adorian, Mr Wilson and the Year 6 Team
