Dear Parent,

Virtual Open Evening for Year 6 Parents

As a parent with a child in Year 6 at one of our feeder schools, I am writing to you specifically to invite you to attend our Virtual Open Evening on Tuesday 13th October at 6:30pm.

You may be aware that, as a school, we do not usually run an annual Year 6 Open Evening, replacing this instead with a series of Open Mornings during which parents and Year 6 students can spend time with us seeing what Twynham School is like on a 'normal' day.

Unfortunately, due to the current restrictions around Covid-19 we are unable to welcome you in person to an Open Morning and we have decided to replace this with a Virtual Open Evening.

Our hope is that we can attempt to replicate the very special feel of Twynham School and, of course, to take the opportunity to excite and inspire your children as they look forward to their transition to secondary school.

The evening will consist of a range of aspects, including a live presentation from myself, along with a number of pre-recorded videos that will enable you and your child to explore the range of opportunities our school has to offer. We also hope to have a "live" chat facility to answer any generic questions you may have as well as a brief overview of the admissions process.

To access the evening you will need to register in advance and hence I wanted to write to you specifically to highlight this important point. You will be aware that we are a very oversubscribed school and we do expect the evening to be very popular.

As a parent of a child in one of our feeder schools, we are able to offer you the opportunity to book onto the evening before the registration link goes live to the public. In order to do so you will need to use the following link:

The above link will not be made public via our website until 9am on Monday, 28th September. Should you wish to register on or after this time, you will be able to do so using the link or via our website – twynhamschool.com.

We are really looking forward to hosting you at our very first Virtual Opening Evening and hope that you are able to join us.

Kind regards,

Mr Jy Taylor
