FOR PARENTS

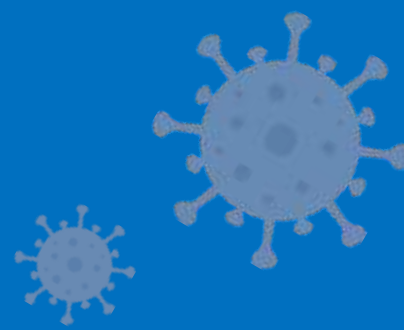

- Adults will observe the 2m social distancing rule during arrival and dismissal.
- If possible, registration will be taken outside.
- The club manager will sign the children in and out.
- On collection, parents/**carers are required to know their child's** password.
- Parents/carers are asked not to enter the building. If you need to contact the Duty Manager, please call 01 202 797259.

FOR STAFF

- On arrival into the building ALL staff will wash their hands and have their temperature taken each day.
- On arrival each day ALL children will have their temperature taken then directed to their 'group bubble' for the day.
- Once in their bubble, children are to put their belongings away and wash their hands.
- Hands are to be washed regularly throughout the day (before and after activities).

FOR ACTIVITIES

- Within each group, we will have 15 children and 2 group leaders.
- Activities will be outside where possible
- Indoor activities will be operated from well ventilated rooms and groups sizes kept to a maximum of 15.
- Group leaders will change with each activity. We will do our very best to maintain the continuity of the groups where possible.
- Equipment will be cleaned between each group activity

ADDITIONAL MEASURES

- Group sizes are limited to bubbles of 15.
- Children will be within the same bubbles throughout the week.
- Regular cleaning throughout the day.
- Well ventilated rooms.
- Staggered break times and zoned playground facilities.
- Children will be instructed to **play within their own 'group bubble'** as far as practically possible.

WHAT TO BRING

- Warm clothing and a coat. Children will be taking part in activities outside each day (weather permitting).
- Suitable footwear for activities.
- A healthy snack and lunch box. No foods containing nuts.
- A water bottle.
- Should you wish for your child to bring additional hand sanitiser or wipes, please ensure they are named.
