Re: Y4 staff absence – update

Dear Parents / Carers

Since the start of term, Mr Croton has been taking responsibility for the leadership of Year 4 in Mr Wilson's absence. I am pleased to say that Mrs Serle, teacher of 4NS, will now take on the interim leadership of the year group.

Miss Jackson has been teaching 4JW this year and she has agreed to continue in this role until Mr Wilson returns, and to the end of the current term as a minimum. I am grateful to Miss Jackson for providing the children of 4JW with this stability and consistency. I will update you again towards the end of the Autumn Term.

We look forward to speaking with you at online parents' consultations this week, and welcoming you into school on Thursday 3 November or Friday 4 November. On these days between 3:15-3:45pm you can see your child's learning books in their classroom.

Yours sincerely

Mr S Fuller
Headteacher
