

Wednesday 26 April

Dear Parents / Carers

I am delighted to inform you of some forthcoming events that will take place at CJS to celebrate the Coronation of King Charles III.

On **Friday 5 May**, we will be holding a Red, White and Blue day. The children can come to school in non-uniform, wearing those colours.

During the day, we will learn more about the Coronation, in our classrooms. The children will be taught the significance of various aspects of the Coronation and the meaning behind them. We will also reflect on how the change in our monarchy affects practical aspects of our daily lives, such as coins, stamps, the National Anthem, post boxes... the list goes on!

In the afternoon, we will gather together on our school field (weather permitting) to watch some traditional maypole dancing and have a Crown Parade. You will have received information regarding our crown competition. We would like to children to make their own crowns out of anything – get creative! These need to be in school by **Tuesday 2 May**.

The children will also enjoy a small ice lolly donated by our fabulous PTFA - red, white or blue, of course!. Should you wish for your child to NOT receive an ice lolly, please let your child's class teacher know.

We are looking forward to a special day to commemorate this historic event.

Yours faithfully

Mrs Cook  
Assistant Headteacher
