Belonging - Achieving - Growing

Dear Parents / Carers

Welcome back from the Christmas holiday; we know it can be a very busy time for families and not always that restful! It has been great to have the children back in school, returning to their familiar routines.

Have you encouraged your child to take up a New Year's resolution? This really is a great way to get children learning about setting goals and taking responsibility for their actions/choices. Take your child's lead on this if they think of a target they would like to achieve; it does not have to be an 'all or nothing' pledge, but a commitment to keep working towards something of their choice. You can then encourage them along the way and help role model the resilience they will need!

This year, my family and I are committing to trying new things regularly, e.g. a new food or a new activity. Good luck with yours.

SR Fuller

ATTENDANCE MESSAGE

Please encourage the children into school in these dark weeks of January. It really is important that, wherever possible, pupils are here each day giving them continuity in their learning. Would you be surprised to hear that more than 10% of our pupils (50 children) have been off school for more than 10% of the school year since September? At that rate, they will miss nearly 4 school weeks this year!

Clearly, if children really are not well then they should not be in school. Equally, often once they come into the classroom and see their friends, they feel much better.

LUNCHTIME SUPERVISION

We are still looking to recruit Midday Supervisors to join our current team, helping to ensure that the lunch break runs smoothly and safely. It is a 90 minute shift from 11:45-1:15pm each day and you might be perfect for the role! Please get in touch with our school office if you would like to have an informal chat and learn a little more about the role. Training and support is provided.
