Belonging - Achieving - Growing

Dear Parents and Carers

It has been great to see so many children around the school today with their cuddly bears! We raised approximately £180, and every pound that has been donated goes to Dorset Children's Foundation and will make a positive difference to young people in our community with disabilities. Thank you for getting involved.

You have received a letter this week about our February reading challenge—'Leap into Reading'. Please encourage your child to take part in this and help them to read each day this month. I cannot over state the importance of children developing a love of reading alongside improving reading stamina, vocabulary, developing their reading speed and improving comprehension. It really does help them to access our broad curriculum and opens up whole worlds! Thank you for your support with this.

I look forward to seeing many of you next week for parent/carer consultations. Please do take the opportunity to look at your child's learning and take a walk around the school.

CHILDREN'S MENTAL HEALTH WEEK

I am delighted to share that CJS will be actively participating in Children's Mental Health Week which is a national event taking place from 5 February to 11 February 2024. This year's theme is 'My Voice Matters' emphasising the significance of each child's unique perspective and feelings. The event aims to raise awareness and give a voice to all children in the UK. As part of our commitment to their well-being, we will be engaging in various activities and discussions through the week from 'Stormbreak', these are short, effective activities which are teacher-led and class based.

Additionally, on Tuesday 6 February, we will be participating in 'Safer Internet Day' aligning with our dedication to creating a safe and secure online environment for all our students.

For further information please visit [Children's Mental Health Week \(childrensmentalhealthweek.org.uk\)](https://childrensmentalhealthweek.org.uk) and [Home - Safer Internet Day](#)

PARENT CHAMPION

Each month a dedicated Parent Champion will hold one session to support families in navigating appropriate local and national services and networks to meet the needs of their children. Time slots will be allocated to individual families on a first come first served basis and are held in confidence during the school day. To enable us to plan ahead for these sessions we are asking parent/carers to email an expression of interest to parentchampion@cjsdorset.org (this address is monitored by the school, on behalf of the parent champion.) Once we have confirmed dates for the sessions to run, we will offer a meeting date and time to all those who have shown an interest.
