Issue 20 — Thursday 08 February 2024

Belonging - Achieving - Growing

Dear Parents and Carers

Thank you for joining the teachers in school for parents' consultations. This is a valuable opportunity to ensure home and school are working in unison to support the children.

We are officially at the halfway point of the year! It is a superb time for all of us to take stock and re-energise ready for the second half, but not before children, parents and staff have had a well-earned rest.

We had an excellent day on Wednesday with a range of colleagues from local schools visiting CJS to support us in continuously improving teaching and learning. I was particularly delighted to be able to host Mrs Hayward and Miss Cairns from CIS and I thank them for joining us.

Finally, have a great holiday next week. Please take the opportunity during the time away from school to talk to your child about how they use the internet, look at the access they have to various devices and ensure they are safe online. We all need to work together to keep our children safe.

SRFuller

SAFER INTERNET DAY

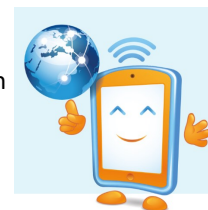

We would like to take a moment to remind you that this past Tuesday, February 6, marked Safer Internet Day. Safer Internet Day is an annual event held every February with the goal of promoting a safer and more positive online experience for everyone, with a particular emphasis on children and young people.

This year, our school had the privilege of participating in the global initiative "Together for a Better Internet." As parents, guardians, and educators, we play a crucial role in creating a secure online environment for our young ones. It's essential that we engage in conversations and activities that empower our children with the knowledge and skills to navigate the digital world responsibly.

We encourage you to take part in discussions with your children about online safety and to explore activities that can help reinforce these important lessons. If you find yourself in need of further support or advice on this matter, please don't hesitate to reach out using the link provided below or reach out to your class teacher.

[Parents and carers - UK Safer Internet Centre](#)

Thank you for your ongoing support in ensuring the safety and well-being of our children, both online and offline.

DATES FOR YOUR DIARY

Thursday 7 March	World Book Day - children (and staff!) to dress up
Friday 15 March	Science Fair —parents are invited to view from 2.15pm until 3.00pm

YEAR 5 BREADMAKING

We have had a really exciting half term in DT with our cookery workshops and now breadmaking. Last week, all of Y5 got their aprons on and made two bread rolls each in our Bluewater kitchen. They added various flavours and toppings in keeping with the theme of the 2024 Olympics. Not only were the bread rolls delicious when we tasted them but our Y5 corridor smelt like a bakery! Thank you to the Y5 parents for sourcing toppings for the children to add to their rolls. We had a wonderful day of baking and the children thoroughly enjoyed themselves!

ATTENDANCE RACE WINNERS

The winners of the attendance race for w/c 05 February 2024

Year 3	3CM	96.3%
Year 4	4PG	94.9%

WORLD BOOK DAY—7 MARCH—GET DRESSED UP!

Don't forget to keep up with the February "Leap into Reading Challenge" during half term! We know that there is nothing quite like the power of reading to open young minds up to a whole world of possibilities, and we are passionate about instilling a love of reading in our children.

We would love for your child to bring a book character or theme to life on World Book Day 202 by getting dressed for the occasion.

On the day itself, children will be able to join in with a range of exciting reading activities.
