Belonging - Achieving - Growing

Dear Parents / Carers

It was a pleasure to have the support of our School Councillors on Tuesday morning to help with planting our new trees!

We have planted four trees; one for each year group. The reason for planting these trees? There is a lot of research and evidence that shows that being grounded in your environment is good for mental health and wellbeing. There are four native species of trees that have been planted and the children in each year group will adopt one. This means that each year at CJS they will learn a little about their tree, how it changes through the seasons, what identifying features it has, how quickly it grows, etc!

Our children will eventually be able to spot this type of tree wherever they are in the world in the future and it will keep them connected to 'home'. Over four years at CJS they will learn about each of the four trees.

WORLD BOOK DAY—THURSDAY 7 MARCH—GET DRESSED UP!

We would love for your child to bring a book character or theme to life on World Book Day 2024 by getting dressed for the occasion.

On the day itself, children will be able to join in with a range of exciting reading activities.

RED NOSE DAY - FRIDAY 15 MARCH

On Friday 15 March we will be ending the week with a giggle whilst raising money for Comic Relief. Children can come to school wearing their funny noses and can bring in their favourite jokes to share with their class. Donations of £1 will be gratefully received and can be made via ParentPay, or cash on the day. The winner of each class joke will get to tell their joke in the year group's celebration assembly!

ATTENDANCE RACE WINNERS

The winners of the attendance race for w/c 26 February 2024

Year 3	3SC	98.9%
Year 4	4NS	98.9%
Year 5	5CD	99.6%

This week we were informed that our school attendance for last term was in the top 25% of primary schools. Well done to the children for achieving this. Can we be in the top 10% next time?!
