## Belonging - Achieving - Growing

Dear Parents / Carers

I would like to tell you a little about our Local Advisory Board (LAB). We are fortunate at CJS to have a fabulous group of volunteer governors who make up our LAB, although I suspect that many of you could be unaware of the role they play. On Wednesday evening the LAB met and heard from two CJS leaders: Mrs Serle and Miss Dadds gave the governors a deep understanding of the school's English curriculum; Mrs Serle then spoke at length about Year 4. This process is so important for our LAB: it enables them to better understand our curriculum; they get a true sense of how the intent leaders have for our school community, is brought to life; they get to see the passion and knowledge of our leaders. There is a rolling programme of presentations throughout the year.

Our LAB also meet half-termly to hear about other aspects of school life, for example, finance, strategy, data, curriculum, teaching and learning etc. This means that they can then offer support to the school as well as being able to challenge leaders to ensure CJS is providing an excellent education for our pupils.

If you would like to know more about governance at CJS, please do speak to one of our members who can be contacted via our school office: Mr Ian Mayhew (Chair), Mrs Maggie Fidler (Vice Chair), Mrs Natasha Gerber, Mrs Hannah Dewhurst, Mrs Sheila Carnan, Mrs Karen Butler, Mr Conor McClafferty and Mr Sam Fuller. Look out for future updates in the newsletter on the LAB activities.

### WORLD BOOK DAY

Thank you for supporting your child and our school with World Book Day! We had a great day and the children thoroughly enjoyed getting involved in various activities such as the reading café, guess the reader (where children had to guess which staff member was reading the book), drop everything and read, a BBC live lesson, and simply seeing one another dressed up! It is so important to encourage a love of reading for our young people, knowing what a positive impact this will have.

## CELEBRATIONS AND ACHIEVEMENTS

### GIRLS' FOOTBALL WIN

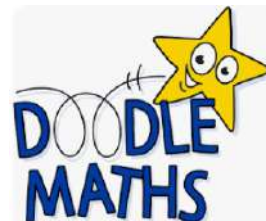

Well done to the Year 6 girls' football team for their win against Mudeford Junior School (4-0) on Wednesday 6 March. An amazing effort from the whole team with some fantastic attacking play. Well done to our goal scorers, Kara, Mollie, Ophelia and Bella.

### DOODLE MATHS CHAMPIONS

We want to celebrate how fantastic CJS children have been this last year in engaging with Doodle Maths at school and more importantly at home.

- Half a million questions have been successfully answered
- 484 of our children have been active on Doodle Maths in the past month
- 77% of our children are regularly meeting or nearly meeting their weekly targets of keeping in the green and amber zone

This is a fantastic achievement! Logging in to Doodle Maths regularly will reinforce their numerical skills, knowledge and confidence.

### RED NOSE DAY - FRIDAY 15 MARCH

On Friday 15 March we will be ending the week with a giggle whilst raising money for Comic Relief. Children can come to school wearing their funny noses and can bring in their favourite jokes to share with their class. Donations of £1 will be gratefully received and can be made via ParentPay, or cash on the day. The winner of each class joke will get to tell their joke in the year group's celebration assembly!

### ATTENDANCE RACE WINNERS

The winners of the attendance race for w/c 4 March 2024

Year 3	3SC	98.9%

### A MESSAGE FROM BCP COUNCIL

We are changing the way we deliver family hub services and would like your views on what support is important to help you and your family. Family hubs are welcoming and friendly places you can go when you need some help or advice. They are for all families with children and young people from birth to 19 years old, and up to 25 years for those with special educational needs and disabilities (SEND).

Your views will help shape how we deliver these services in the future, so please share your thoughts.

The consultation closes on Friday 22 March.
